

PRINCIPAL'S UPDATE

Monday, 23 March 2020

Dear Parents and Caregivers

In line with the latest advice from Commonwealth and WA governments, Lumen Christi College is planning to remain open at least until the end of term to provide the best possible education to your children. In line with Prime Minister's and the WA Minister for Education's advice, parents may choose to keep their children at home during this unprecedented time.

State and territory Premiers and Chief Ministers have committed to the Australian Health Protection Principal Committee advice that says that it is safe to keep schools open.

In considering the potential risks associated with COVID-19, the College has been working with Catholic Education Western Australia (CEWA) in conjunction with the WA Department of Health and the Department of Education throughout the evolution of COVID-19 to ensure we have the best possible preparedness and response strategies in place.

We are working hard to ensure our teaching and learning continuity plan supports students to engage in remote learning should our school be required to close. Those students who are not attending school because parents have chosen not to send them will be able to engage with their learning by accessing the lesson outline and resources on SEQTA and/or OneNote and TEAMS for each lesson.

Modes of delivery for online learning

Teachers will use a variety of modes of delivery to support online learning including, but not limited to:

- SEQTA
- ONENOTE
- TEAMS
- POWERPOINT
- OUTLOOK EMAIL
- ONLINE TEXTBOOKS (JACARANDA)
- MATHS SPACE & EDUCATION PERFECT
- CLICKVIEW and YOUTUBE

Please [click here](#) for my complete letter, including more comprehensive information regarding the above modes of delivery to support online learning.

COVID-19 is a changing situation that is affecting many areas of our lives, and it is normal for all of us to feel anxious and worried, your child included.

Our College staff are doing a wonderful job in providing pastoral support to students at this challenging time. It is important to remember that as parents, you can help your child process all the information they are receiving and the changes that are taking place around COVID-19.

Thank you for your support at this time.

Yours sincerely
Karen Prendergast
Principal
