

Remote Learning

Student Expectations

Behave in keeping with the College Student Code of Conduct.

Check SEQTA and OneNote at the beginning of each lesson to access your lesson instructions and resources.

Complete all work and assessments as required by your teacher.

Attend planned Teams video meetings, as indicated by your teacher.

Turn off your camera during Teams Video meetings.

Contact your teachers through the approved digital learning platforms (SEQTA/OneNote/Teams/email).

Contact your teacher if you have any technical problems or if you are unable to complete work.

Look after yourself. Maintain your wellbeing by making sure you eat healthily, exercise regularly, sleep well, connect with others and continue learning in a safe environment.

Remote Learning

Parent and Caregiver Expectations

Support your child to prepare for the school day by establishing a daily routine and quiet space where they can complete their work.

Use SEQTA and OneNote to access your child's lesson instructions and resources, if necessary.

Be aware of when your child must attend Teams Video meetings.

Check in with your child regarding their learning.

Monitor screen time. Ensure that your child has a break away from their device.

Contact teachers through the approved digital learning platforms (SEQTA/email) and they will respond within 24 hours. In the case of an emergency, please phone the relevant person eg HOY, HOLA or Deputy Principal.

Consider the [eSafety Commissioner's website](#) which contains some useful resources that may help you to support your child.

Support your child in looking after themselves. Maintain their wellbeing by making sure they eat healthily, exercise regularly, sleep well, connect with others and continue learning in a safe environment.
