COVID UPDATE

Dear parents and caregivers

As you are probably aware, the Premier has recently announced a four-day lockdown for the Perth and Peel region commencing at midnight tonight (Monday 28 June). This follows a further case of community spread reported this evening.

During this time, schools will remain open and masks must now be worn both indoors and outdoors by all students, unless they have a medical exemption.

I will provide any further information as I receive it.

Kind regards

A handwritten signature in black ink, appearing to read "K. Prendergast".
