

Thursday 4 February 2021

Good morning everyone

My thoughts and prayers are with all members of the College community at the start of this school year. I appreciate the challenges facing families during this COVID related lockdown, together with the bushfire emergency in the Hills area and surrounding suburbs.

The staff and Executive Leadership Team have been holding remote meetings throughout the week to ensure that we are prepared for the commencement of the school year, which we hope will occur on Monday 8th February. Further information regarding the start of the academic year will be shared tomorrow, following announcements from the Premier and the Executive Director of Catholic Education Western Australia. If schools are able to re-open on Monday, all Year 7, 11 and 12 students, as well as new students in Years 8-10 will return to the College on that day. All other students in Years 8-10 will return on Tuesday 9th February. However, this information, along with further details, will be confirmed tomorrow.

Resources to support mental health and wellbeing during COVID -19 can be found at the ***Head to Health*** website. This website offers a central platform for digital mental health resources, including apps, that may assist parents and students during this period of lockdown [Welcome to Head to Health | Head to Health](#)

As a college community, we continue to offer our support and prayers for our staff, students and families during this uncertain time.

May the Light of Christ continue to shine on our college community.

Kind regards

Karen Prendergast
Principal
