Certificate III in Business BSB30115

VET at TAFE Courses

Certificate Courses conducted at an external institution

Certificate courses are conducted one day per week at a TAFE College or private RTO. Students will not attend Lumen Christi College on this allocated day.

Students will receive a study period each day they attend Lumen Christi College that they will use to catch up on any work missed in their other courses due to their TAFE attendance day.

When choosing a VET at TAFE course, students are also required to choose a reserve course in the eventuality that the course is unavailable at TAFE or delayed in starting.

Course Code for any VET Course at TAFE - VTAFE

There are many courses at TAFE to choose from. Please speak with Mrs Voola to assist you in choosing the right course for you. Positions are determined by available positions at TAFE organisations.

In the past students have completed qualifications in the following industries:

- Automotive (Electrical, Auto Light and Heavy)
- Building & Construction
- Childcare & Aged Care
- Education Support
- Floristry
- Gas Fitting & Plumbing
- Hairdressing
- Health services
- Horticulture
- Hospitality - Food & Beverage
- Painting & Decorating
- Surveying & Spatial Information
- Tourism and Events Organisation
