

Private Bus Service Payment Options

The College has implemented a new payment system for our Private Bus Services in 2020. Families are now required to register an account through *RollCall*, a cash-less tag on/tag off system which utilises Student Smartrider cards.

Roll Call allows us to manage our bus routes, move away from a paper ticketed system and allow parents the ability to track bus movements. Information can be viewed by parents in real-time on their personal computers or mobile device, providing them with the current location of the bus, and the time and location their child boards and exits the bus.

On commencement at Lumen Christi College, families will receive a welcome email from Roll Call, prompting them to create an account if they wish to use the College's Private Bus Services. After an account has been created, families will then be able to book their child's designated bus route and stop, make payments and view the location of the bus during the morning and afternoon route trips. Bus stops are outlined in our route maps, [available here](#).

When students board any of our Private Buses in the morning or afternoon, there will be a device at the front of the bus where the student will scan their Smartrider card. Students will do this again when exiting the bus. This ensures that the College maintains our duty of care for each student and also allows us to monitor demand for the bus services and route changes.

The fee for all private bus services is \$2.40 per ride. Payments must be made via Roll Call (PayPal or Credit Card) prior to students using the bus service.

Please phone the College on 9394 9300 if you have any questions regarding Roll Call or the College Private Bus Services.

Bus Etiquette

Lumen Christi College Students are expected to conduct themselves in a mature manner when riding the bus to and from the College. Any student behaving in a disruptive or unacceptable manner may be refused access to the bus in future and the [College Behaviour Management Policy](#) will be acted upon in order to deal with the student.

DISCLAIMER

The Lumen Christi Private Bus Service and Routes have been developed after two years of needs analysis and parent surveys. We understand that there will be a period where the bus routes are not utilised to their full capacity, as the student body gains awareness of this service, however if a route or a stop continues to be unpopular, management will need to reconsider including it in the service.
