Introduction

Lumen Christi College Uniform and Grooming

Lumen Christi College students wear the College uniform as a badge of pride which creates the College identity.

Students at the College have a summer uniform and a winter uniform. The summer uniform is worn during Terms 1 and 4 and the winter uniform is worn during Terms 2 and 3.

Rationale:

Lumen Christi College students wear the College uniform to:

- Develop a sense of student unity and loyalty to the College
- Minimise differences resulting from socio-economic background
- De-emphasise differences in appearance and to focus on the real purpose of schooling – the development of an individuality of intellect, imagination and personality

Definitions:

'Uniform' is distinctive clothing worn by members belonging to the same group or organisation, e.g. school or College.

'Parents' encompasses parents, guardians, caregivers.

Principles:

As the College cannot legislate for every contingency, the Deputy Principal of Pastoral Care, under the direction of the Principal, reserves the right of final balanced judgement with regard to the students' well-being, grooming and discipline as published and reflected in the enrolment agreement which students and parents sign upon admission to the College.

Full support by parents and students of the College Uniform and Grooming Policy is essential for ongoing enrolment at Lumen Christi College.

Procedures:

Students are required to arrive at school, and depart from school in their full College uniform. If it becomes necessary on any one day for a student to wear a substitute College uniform, parents are requested to inform the College in writing.
